

PIC/Deputy Director

PIC/PAD 82/60
3 October 1960

Chief, PAD

Comments on DMJM L-XG-1, Dated 12 September 1960.

I. As directed the following comments are submitted for your consideration:

A. Requirements Staff

1. Basic responsibilities as stated do not appear to be current.
2. The following statements need to be corrected or eliminated:
 - a. " - - - the Requirements Staff organizes the scanning team" (For Joint Military - IO Projects).
 - b. "Judgement is necessary to select important items and the scanning team can call in consumer (industry) experts. The Mission Review reports contain a biography of everything important on that particular mission."
 - c. "Requests for additional information originating in the I.O. is submitted to the RS for their transmittal to the Collectors.
 - d. "RS acts in a 'project leader' capacity."
3. Immediate reporting priorities omits Nuclear Energy.

B. Administration Staff

No Comment

C. Publication Staff

1. The following statement needs clarification:

- a. "It is anticipated that PS will approximate ☐ of PAD's anticipated staff. This could be a maximum of ☐ people." 25X1
☐ in PAD ? 25X1
☐ in PS ? 25X1

D. TISD

No Comment

- E. PAD - rewrite of the PAD statement is being prepared and will be submitted separately.
